# A história do

## O cuco cantou

A Cátia e o Caio foram passear até ao campo, num dia em que o céu tinha poucas nuvens. O Caio levou uma capa na mão e Cátia pegou num pacote de leite e num copo...

No caminho, encontraram coelhos, codornizes e casas cobertos de colmo. A certa altura, enquanto bebia um copo de leite, Cátia ouviu um cuco a cantar:

– Cu... cu! Cu...cu! Cu...cu!...

Então, a Cátia perguntou:

– Ó cuco de além da ribeira, quantos anos me dás de solteira?

O cuco cantou vinte vezes seguidas, Caio riu-se e disse:

– Bem feito, prima! Só vais casar com trinta anos!

– Cuco, vem cá! – ordenou Cátia.

– O cuco aproximou-se e Cátia disse-lhe:

Como me deste vinte anos de solteira, vou castigar-te. Tens de aprender a fazer o “c” de cuco.

– Mas eu nasci para cantar e não para escrever – afirmou o pobre cuco.

– Não faz mal, aprendes a escrever! Vamos lá: com o teu bico, faz uma curvinha aberta. Não a feches, para não parecer o “o”!

O cuco aprendeu a lição e, daí em diante cantava sempre o “c” no coração.
